## WORK EXPERIENCE

---

### **West Warren Water District - Web Developer**

November 2022 - Present

- Worked on the web-page as the only developer, working along side the district's Superintendent, along with receiving feedback from the commissioners and administrator.
- Continuous updates currently, along with adding any and all new pages currently required.
- Updating agendas and meeting information, including updating current sitting commissioners.

### **Walmart - Temporary Personal Shopper / Back-Room Stager**

October 2022 - January 2023

- Worked along side several associates, at first as a Personal Shopper for the Digital Shopping Department, before moving to Staging all products to be dispensed to customers / deliverers.
- Would make sure all orders are organized by customer.

### **Pathfinder Regional Voc. Tech. High School - Assistant Robot Programmer & Instructor**

July 2019 - August 2019

- Worked along side the Electronics Technology & Robotics Instructor to teach young kids about electronics, and leading the programming for the Vex IQ robots.
- Assisted students with building their robot kits, and providing assistance when needed.

### **Blue-Stone Dojang - Assistant Instructor**

July 2019 - January 2021

- Worked along side the instructor to help instruct children with learning the martial art Taekwondo and hapkido.
- Taught classes on own, with minimal step-in from the main instructor.
